

In the Name of God

Adjectives in a nutshell

1. Adjective modify nouns
2. Adjectives are used before nouns and after To be and sense verbs
3. One noun: Positive adjective
4. Two nouns: Comparative adjectives

One syllable: adj + -er + than

Two/three/more syllables: more + adj + than

Note 1: Some two-syllable adjectives could take both more and -er

Note 2: When the comparative adjective appears at the end of a sentence, no "than" is needed.

My sister is smart. My brother is smarter.

5. Three nouns: Superlative adjectives

One syllable: The + adj + -est

Two/three/more syllables: The + most + adj

Note: Some two-syllable adjectives could take both most and -est

6. Double comparatives

The + comparative (adjective or adverb)..... , the + comparative (adjective or adverb).....
