Chapter 3:

Let's quickly review the new words!

I am selected as Engineering Faculty **Ambassador**.

I am told "Call of Duty is not **appropriate** for you".

I receive my professor's **feedback** on my assignments.

I **earn** a **badge** in a difficult course.

I learn how to use JavaScript to code and make a **profitable** business.

I **gain** confidence when my microphone is not working properly in online classes.

I let my projects and assignments **accumulate.**

I cannot **apply for** a vacant position in Google!
